

Student Academic Conference

Certificates and credit recognition

- Free congress for all undergraduate students at Spanish universities
- Activity awarded 1 ECTS for UIC Barcelona students.
- Certificate for all participants and acknowledgements for the best papers
- Optional activity “Sharing Insights” in the afternoon on 1 March
- Exhibition of the winning papers at the UIC Barcelona Research Fest 2025

Requirements for obtaining certificates:

- Make a contribution at the congress and attend until the awards ceremony. Consequently, the student’s participation in the previous paper will not be counted if they do not defend the paper on the day of the conference, unless the reason is justified.
- Exceed the level of quality required by the Organising Committee in the submitted project.

Criteria for the acknowledgements of the winning projects:

- Prize will be awarded to the best presentation worth €600 per category and team, to be used to participate in one of the cultural activities or conferences listed below:
 - SAC 2025 Cultural Journey: end of June 2025
 - [UnivForum 2025](#)
 - [UnivInspire 2025](#)
 - [Observatory of the Invisible](#)
 - [University Days of the Pyrenees](#)
- The rest of the participants may ask to benefit from the same activities. Grants of varying amounts will be awarded.
- El importe se abonará directamente a la entidad responsable de la actividad.
- The mark for the paper will count for 80%. The remaining 20% will depend on:
 - participation in the opening ceremony
 - submission of the abstract
 - having a tutor and presenting the report of the two meetings
 - participating in the activity “Sharing Insights” in the afternoon on 1 March

The panel reserves the right to refuse applications for prizes in cases where the work does not meet the minimum quality criteria. Likewise, the prize may be declared null and void if the panel considers it necessary.

The “Student Academic Conference 2025” awards will be communicated via e-mail to participants from 4 March onwards.
