About UIC Barcelona

Since 1997, we have been committed to impacting society.

Our mission is to train people who contribute to humanising the transformation of society through professional excellence, the pursuit of impact, integrity and social commitment.

We offer 16 bachelor's degrees, 45 international double degrees and more than 70 master's and postgraduate courses to a community of around 9,000 students.

We have eight faculties located on two campuses, in Barcelona and Sant Cugat del Vallès. We believe in lifelong learning, offering a personalised service,

a comprehensive approach focused on each student, continuous professional connection and innovation in teaching and research methods.

We have a strong international character, and our campuses are home to people from over a hundred different nationalities. We are connected to society and businesses through fifteen chairs and five business classrooms, five research institutes and three university clinics.

We are a humanistic, sustainable, innovative and global university, and we are well-positioned in the main national and international rankings.

University life

Live the best university experience at UIC Barcelona.

Studying at UIC Barcelona involves all-round personal growth.

Sports, charity and culture are university values that we encourage.

Department of International Relations

This department is the first point of contact for incoming students, and our staff will support you before, during and after your stay at UIC Barcelona.

Linguistic services

At UIC Barcelona you have the opportunity to study several languages, both face-to-face and online, and you can accredit your level of Catalan with official certificates, as well as take part in welcome and language promotion activities.

Student Services

The aim of Student Services at UIC Barcelona is to ensure you feel part of university life so that you can spend your time achieving what is most important: your personal goals.

This service offers and organises a wide range of cultural, sports, social and academic activities for all students.

Contact: estudiants@uic.es

Chaplaincy

The chaplaincy offers a space for **reflection, dialogue and transcendence** where activities open to the entire university community are held.

Alumni&Careers

Once you have completed a diploma, degree, postgraduate, clinical residency, master's degree or doctorate at UIC Barcelona, you will become part of **Alumni, an international community of over 28,000 people.**

At UIC Barcelona, we believe that being a university student is a way of life and a way of seeing the world, and **at Alumni, these values continue to be part of your life.** Our aim is to promote training and professional guidance and maintain the link with the community through reunion activities.

The Careers Service offers you a **comprehensive advice service for job placement** aimed at students and alums.

Legal procedures and Support clinic

We also provide advice about immigration procedures (student visa, residence permit etc.) and mental health (university Support clinic).

Welcome activities and buddy program

The Department of International Relations organises various activities each semester to welcome the new incoming students on campus. Students may also apply for a local buddy before their arrival.

Other services

Cafeteria, printing service and library.

Accommodation

It's important to note that in Spain, universities do not offer accommodation contracts to students. However, to find accommodation in Barcelona, whether you are looking for halls of residence or a flat or room on your own, we do offer advice to help you in your search.
